“ Gary and Don were life long friends, of approximately 50 years. They were both retired military, Gary from the Air Force, and Don was Navy. After Don retired from the Navy, he and his family moved back to Boise, Idaho, where he went to work for a bowling alley. Gary and his family lived in Lewistown, Mt, and worked for Brunswick. That is where their story began. Gary came to Boise and worked on the bowling machines where Don took care of those machines. Gary would drive all night to get to Boise and fix the machines, after which they would go eat their favorite, Chinese food. Mr. Gueths and Don stayed fast friends, and talked often via phone, and several times over the years were able to get to know each other's families. Rest In Peace Old Friend!! You will be missed sorely! Friends Forever!! We want to send our Condolences and our Love to All the family. God Bless You All. Don and Gloria Clark
