“ Although I've only knew Harlan for 2 1/2 month helping take care of him made my night. His smile was very contagious. I got to know you girls and I hope that you KNOW you should be very PROUD of how you took care of your Dad. Take care Haase Family PJ :)

“ We are happy to call Betty a friend. If her dad was anyone like her, the world has lost a wonderful person. Our thoughts are with you all. May you find peace in the good memories.

“ I remember going to visit with my grandparents Hilma and Harry. I loved to visit Uncle Harlan and Aunt Dorthea, there were ALWAYS kids to play with! Great adventures riding a pony or searching for the badger out in Cheney, but always Uncle Harlan's smile and welcome. Years later when I was introduced to Jerry Sneva, I remember feeling so proud as Jerry told me what a good man my Great uncle was.

“ I will remember Harlan Hasse, my father in law, as a vibrant man, an excellent gardener with a full bounty harvest of vegetables. His wry sense of humor and glowing smile was always there.

I will remember him when he was playing with the little ones and having good

conversations while having picnic or a full Thanksgiving dinner.
I will miss him and remember him in his fullness of life.

“ As a part of the Harlan Haase family, missing our Dad, Father in law, and Grandpa (Amber & Dan's Grandpa) we are so thankful to have had such a wonderful man in our lives. We will forever cherish the memories...the memory making moments Dad left behind are in great abundance. What a joy he was to all the family!
