

Lloyd W Lundgren

June 5, 1928 - January 20, 2013

Lloyd W. Lundgren was born the youngest of 4 children to Henry and Mary Ellen Lundgren on June 5, 1928 in Spokane. He passed away on January 20, 2013 in Spokane. Lloyd attended the one-room school on Indian Prairie through 8th grade and graduated from Reardan High School in 1946. Lloyd was active in FFA and became the first State Farmer from Reardan. After a short time at WSU, Lloyd came back to the farm to start a dairy. Being drafted into the army in 1952 forced Lloyd to sell his herd and his milk contract. While stationed in Germany, Lloyd's dad passed away so he came home to care for his mother and the farm. Lloyd started dairying again and continued milking cows until 1991. Lloyd married Norma Jean Henry in 1956. They bought the farm from Lloyd's mother and began expanding the dairy and raising a family. After 40 years of milking cows they sold the dairy herd and began raising beef cattle. Lloyd continued farming until a year ago when his health prevented him from working the animals or riding the tractor. Lloyd is survived by his son David, at the home place, daughter Betty (Ed) Warner of Harrington, grandchildren Sarah, Josh, Emmalee, Hannah, Jerrod and Theo, his sister, Dorothy Mielke and sister-in-law Seville Lundgren. He is preceded in death by his wife Norma, daughter Kathy and brothers Willard and Don. Funeral services will be at Cheney Funeral Chapel on Friday, January 25 at 2:00 p.m. Lloyd will be interred at Greenwood Memorial Terrace. Online guestbook at cheneyfuneral.com

“ I offer my prayers and deepest sympathy to the family of Lloyd Lundgren. May you be consoled and comforted knowing that Lloyd is now enjoying eternal happiness with the Lord.

I enjoyed the chats I had with him over the phone in recent years. In Sympathy,

“ I always loved coming to visit aunty Jean, uncle Lloyd and family! As kids we loved feeding the baby animals and collecting eggs, learning a bit about farm life. We also had a lot of fun playing in the house with the intercom system and helping aunty Jean in the kitchen. Aunty Jean always had a sweet warm smile and a loving hug and uncle Lloyd always had an amazing laugh. His whole face would light up! The Lundgren Family as well as other members of our extended family gave us three Worley girls a place to call home when we were traveling all over with our dad being in the Army. Our mom made sure we had that family connection and The Lundgrens always welcomed us. You will forever be in my heart as warm wonderful memories.
