“ Jack and I were so sorry and saddened to hear of Rich's passing! Such a shock for us! I remember how nice and funny he was to work with when he was doing the Inmate Banking at AHCC, and I worked at Work Release. He was the most helpful ever! Bobbie, we were hoping to be at the funeral but something came up and we couldn't make it. Hope you and your kids will be okay. Will be praying for all of you during this time! Thoughts, prayers, and good light.

“ He was one of the first to visit us in our home when we moved to the area. We felt so welcomed. When my husband's mother became ill few years later, he and his wife were there to comfort us and then cared for our children in their home while we stayed at the hospital the night of her passing. We will always remember his ready smile and gentle voice. His presence will be missed. Love, The Derek and Wendy Ray family

“ I am so sorry to hear of Rich's passing. I worked with Rich at AHCC for many years. I always found him to be a great mentor and sounding board. He was always willing to lend a hand and help out a co-worker. I know he will be missed greatly by all those who love him, but know he will always be in your hearts. Sending prayers for peace.
