“ Jean was the greatest person, always full of fun and laughter. She was always so supportive of the kids in Sprague, no matter what the age. The world was truly a better place because of Jean. R.I.P.

Very sorry for the loss of your Mother. Many memories of Jean (and Bill) allowing us to play basketball in the driveway really enhanced the learning curve... plus the great advice (even if you didn't like it) always helped me grow. God Bless!
