

Carl Grub

April 1, 1937 - August 18, 2023

Mr. Carl Grub passed on August 18, 2023, at the age of 86 near the intersection of Pine St. and W. Fancher Rd. near Medical Lake as a result of the Gray Road fire.

Carl was born in 1937 and was an icon of the Medical Lake community, where he was a lifelong resident. He was known to many for his generosity and selfless support for youth in agriculture. Beyond his life as a cowboy, cattleman, and community volunteer, he served his nation with a distinguished career as a citizen soldier and selfless patriot in the Washington Air National Guard.

Humble, kind, honest, and with a great sense of humor, Carl's thoughts were always of helping others. His deep involvement in supporting youth agriculture spanned many decades and many organizations including the Junior Livestock Show, FFA, 4H, and many others. He was always busy in the local community and spent many years as a realtor in Medical Lake helping locals achieve the American dream of home ownership.

With the passing of his oldest brother Phil in 2008, Carl established what would become his enduring dream: The Jensen Memorial Youth Ranch. The ranch is named after family friends who died in Vietnam and focuses on supporting the next generation of Americans involved in agriculture. The youth

ranch allows young people an opportunity to raise animals and supports local chapters of FFA and 4H.

Carl is survived by four brothers, his cousins, nieces, and nephews...and countless friends.

A celebration of life will be held in the Medical Lake High School gym on September 23, 2023, from 11 AM to 1 PM.

Donations to the Jensen Memorial Youth Ranch in lieu of flowers are preferred. Donations can be made by PayPal via the Jensen Memorial Youth Ranch on Facebook, or the Carl Grub GoFundMe.
