

Christina Jo Evans

December 24, 1949 - July 14, 2020

Christina Jo Evans, beloved daughter, sister, mother, grandmother, great grandmother, and friend to all, passed away on July 14, 2020 in Spokane, WA. She was born December 24, 1949, in Challis, Idaho. She was a gift from the heavens to all those she was around. She served the elderly for over half her life giving them the love and comfort they needed during their last days here on earth. Her Hospice clients were some of her most treasured gifts, and she would give anything and everything to make sure they and their families were comfortable. Her gift of healing and preaching about the Lord and His plan was a daily part of her routine, and the lessons she taught her family will always be remembered. She always taught that death was not to be a sad thing, but something to celebrate! To be with our loving Heavenly Father and Savior Jesus Christ, continuing the work she started here on earth, was always something that she looked forward to. Chris is survived by her two daughters, Chandra and Tammie, and their husbands Doug and Rick; her five grandchildren Samantha, Stephanie, Breanna, Shaya, and Devon; her two great-grandchildren Kaili and Raelynn, with little Parker Grace on the way; her siblings, Cindy, Cheri, Candy, and Jim, and her Mother Della Burnside. She will be greatly missed here on earth, but her memory and spirit will live on forever. Graveside service will be held Saturday, July 18th, at 1:00 pm at the Peone Prairie Cemetery in Mead, WA.
