“ I did not know my friend from long ago had past. I grew up with Craig and went to 12 years of school with him. So sorry we had lost touch after so many years of growing up together. We had a pretty good group of friends that grew up and did many many things together. Craig's dad Robert coached many of us in Little League and coached the Allstar teams at Kettle Falls. Won a lot of games. If you ever seen the movie Sand Lot, that was us in a small town in NE Washington. So many great memories of Craig, Terry, Jerry, Marty, Bill and so many more of us. I hope to see him in Heaven when I get there.

*I only found out of Craig's passing, since I saw his brother Wade..
Such a good family.*
