

## Delbert Leroy Gilliam

April 7, 1935 - June 4, 2013

Delbert was born in Wardner ID on April 7 to Hazel (Randall) and Russell Gilliam. He often talked about rough times growing up especially losing his father in a farming accident when he was 12. He lived at BayVeiw ID while Farragut Military base was being built. He started school in Kellogg ID where he attended the 1st and 2nd grades. At 8 years old his family moved to Four Lakes where he attended Four Lakes school when it was a 2 room school house. In high school, he met the love of his life -Maryjane Nelson. They married on December 4th 1954 and eventually had four children. He enlisted in the Coast Guard in 1953 and was stationed in Vancouver WA. He then settled in the Four Lakes area where he bought a farm and began his life long career at Eastern State Hospital. Initially he attended to farming chores with the patients for the self sustaining institution. He later became a general repairman then a plumber. During this time he worked 3 jobs-running a dairy on his Four Lakes Farm, working at a box company, and his job at the hospital. He talked about nights where his wife would shine vehicle lights on the hay crop so he could move the irrigation pipe. He then took on the multi-tasking position of Plumbing/Steam fitter foreman and Water Distribution manager of Eastern State Hospital. He was known as a very diplomatic negotiater between management and labor forces which led to him becoming Union President for several years. He helped many people out with their different issues-always grounded with a hard work ethic and great common sense. He retired in 1986 and became a full time rancher/farmer running 50+

head of cattle (whom he all had named), and raised alfalfa hay. He loved to elk hunt in the mountains with his horses, and loved to drive his new tractor on the farm. He raised his family showing them the value of honest hard work and that nothing is insurmountable. His iron will and no quit attitude pushed him through many health dilemmas- he would prove this time and time again. He is survived by his wife; Maryjane. Children; Sherrie Ubhoff, Jeanie (Pat) McNair, Larry (Tisha) Gilliam, Patty (Ray Ash) Palomino. Sisters; Shirley (Ted) Radon, Beverly (Lee) Wilcox and numerous grandchildren and great grandchildren. During his last days, he talked about "... it's been a good ride". We will miss him and we loved him very much...."soon we will ride again". A memorial service will be held on June 10, at 2:15 p.m. at the Washington State Veterans Cemetery in Medical Lake.
