“ Our sincere condolences on losing Dee. She was a lovely lady and so enjoyable to chat with. We were always so appreciative that she participated in my dad’s funeral and presented his flag to my mom. Her thoughtfulness will always be remembered. The Reilly Family

“ I will always remember Dee's smile. She always had a great attitude and was very pleasant. She was a dedicated member of the 141 AREW, Washington Air National Guard. The last time I saw her was a few years ago at Mike Bailey's funeral. We had a long chat. I wish her family well. She was a bright spot who will be missed. Nothing but pleasant memories of Dee. retired Maj Kay Steward

“ Dee was a wonderful lady and took me under her wing when I was a new airman in the orderly room when we worked together in the 141at Logistics Squadron in the late 90’s. She made quite an impression on me as a good Senior NCO & always looked out for me, even though she was not my supervisor. Lately, I always bumped into her at the commissary or when she came to the FSS for an ID card and it was always pleasant to catch up with her and her always telling me how proud she was of me with a big hug. She will be sorely missed and I’ll always remember her fondly. My sincere condolences to your family! MSgt Bryna (Cranson) Kelm
