“ *I feel so blessed to know Diane for many years. She was such a role model to me in parenting. She must have been the one who taught me the powder milk trick. Lol I was even more blessed to have been able to visit with her during her illness. The laughs, joking, and smiles we shared will live in my heart.*

“ Diane and I spent many hours cleaning up after events at our church, St. Rose of Lima, where we'd inevitably talk about our grandkids. I only have two so she'd tease me that I'd have to work pretty hard to catch up to her! Diane's smile could up the entire room. She will be greatly missed.
