

Eleanor Lucille Moore

July 5, 1932 - November 30, 2021

Eleanor L. Moore was called home by our Lord on November 30th, 2021. Eleanor was born on July 5th, 1932 to Jacob and Bertha Hoefner in Hartline, WA. The family later moved to Cashmere, WA where Eleanor finished her schooling and met and married Clarence Moore. They moved to the Cheney, WA area where they owned a dairy farm and started their family. Eleanor worked a variety of jobs over the years and finished her career retiring from Washington State.

Eleanor was active in her church and had many hobbies. She loved to crochet, and many people were blessed by her afghans. She also gardened, read books, and traveled several times to Mexico. Even in her later years, she was shy but very quick-witted. She often talked about missing friends and was looking forward to seeing them in heaven.

Eleanor was preceded in death by her husband Clarence Moore, and her daughter Barbara Szabo. She is survived by her daughters, Shirley Terry and Patricia Moore, and her son Richard (Dick) Moore. A Memorial service will be held in the Spring of 2022.

“ I am so sorry for the families loss of your beautiful mother. I worked with Ellie at Interlake School and she was such a hard worker. Even with her selfhood back she could work circles around the young folks. I would take Ellie and her good friend Irene huckleberry picking and drive the girls to go play. I will miss her great smile. She had the most beautiful hair. I know she's will our God in heaven and her husband was there to greet her. Prayers for your family. Pamela Lund
