

Eva Fay Phipps

November 14, 1935 - November 20, 2022

Despite being orphaned at an early age, Eva rose above a humble childhood to become a loving wife for 66 years and an amazing mother to six daughters. She exemplified grace and kindness in everything she did, at levels rarely exhibited by others.

Eva was wise beyond the classroom, knowing exactly how to expertly care for her family, friends, and home. As a military wife, she welcomed adventure and used her resourcefulness to make a house into a home where ever they were stationed, including tours throughout the United States, England, and Germany. “Home” was anywhere the family was together.

Eva was a hard worker and rarely had idle hands. But regardless of being tired, she always made time to love and entertain her children and grandchildren. She created the most memorable experiences for them, including airplane rides, cornmeal sandboxes, handcrafted slip ‘n slides, and kiddie pools. Eva made life fun and reveled in her family’s joy and laughter.

As a wonderful chef, Eva always managed to effortlessly turn modest ingredients into the most delicious meals! No matter what the menu held, it was always anxiously anticipated. Everyone was welcome at Eva’s table, and she made sure they never left hungry.

Eva was a long-time member of Atwater Community Bible Church in California prior to joining Medical Lake Community Church in Washington. Throughout the years, Eva pursued opportunities to assist others through her volunteer work at both organizations.

Through her kindness, Eva was a blessing to all fortunate enough to know her. She was strong in body, mind, and spirit, enabling her to successfully tackle just about anything. Her radiant smile and positive attitude enlightened the world around her. She constantly strived to help others and encouraged her children to do the same. She was an earthly angel, who was surely welcomed Home with the open arms of our Lord and Savior. While her loving presence will be deeply missed, we know she is rejoicing in his sight. She was a “good and faithful servant”, who loved ... and was loved greatly!

Eva was born on November 14, 1935, to Elias and Eva Pinkerman in Aid, Ohio. She was preceded in death by her parents, two sisters, and three brothers, all from Lawrence County, Ohio. Eva is survived by her loving husband of 66 years, Jimmie J. Phipps, and six daughters; Cathy Burris (Rich), Jo Linda Thompson (Paul), Deena Mello (Joey), Donna Phipps (Beckie), Becky Briones (Robert), and Eva Jane Locke (Damon). Her legacy extends to 10 Grandchildren and 19 Great Grandchildren.

A Memorial service will be held for Eva Phipps at 11:00 a.m. on Wednesday, November 30 located at the Medical Lake Community Church. She will be forever remembered and deeply missed.

She's my strength, never ever failing her family, or any person that knows her. She was so blessed to have many Sisters of mine which over the years, created a wonderful world for her. She lived with dignity and loved with her whole heart. Grateful that My eldest Sisters, always made sure, that her life was very comfortable. Eva Fay, My Momma. Grateful God gave me to her, My Father. May we please her in the years to come
