“ We certainly are missing Gary and will remember and think of him often. We have enjoyed having dinners and playing pinochle with he and Mary Lou every week for over a year during covid, plus many other times throughout the years. We also enjoyed many evenings at the Valley Eagles dancing. He and Mary Lou were good dancers and fun to watch. Gary is a wonderful man and valued friend. We will miss him dearly.

Our sincere sympathy to Mary Lou, Gayle, Angelea and Michelle.
