

Grant Orion Gilbert

February 11, 1946 - February 4, 2024

Dr Grant Orion Gilbert passed away peacefully holding the hand of his childhood friend and wife of 58 years on February 4th, one week before his 78th birthday. He is survived by his wife Donna, daughter Trinette, and sons, Garrett, Tristan, Nathaniel, Joshua, and Tobin. Also, his 4 daughters-in-law, 14 grandchildren, and 2 great-grandchildren.

Grant believed in hard work, acquiring his Ph.D. while working full-time and raising 6 children. After retiring from Lakeland Village, he went to work for DSHS testing children. He often combined work and play while testing in Ocean Shores. He enjoyed bar-b-ques, fishing, clamming, crabbing, and hunting with family and friends. Despite having a private office, he preferred working in the living room surrounded by family and pets. He will be greatly missed by his family, church, community, and profession.

A Celebration of Life will be held at St John's Lutheran Church, in Medical Lake, WA on Saturday, March 23rd, at 11:00 am.
