

Jessie A Clark

July 29, 1920 - January 22, 2014

Jessie returned to be with the Lord on January 22, 2014. She passed away gently in her home near Medical Lake WA, surrounded by her 6 children and the love of her devoted family and friends. Jessie was born at home to Birdie and Roy Keene, of Medical Lake on July 29th 1920. She spent her life serving the Lord, her family and the community and will be fondly remembered from her days baking for the M.L. School District, numerous Bible/Church Camps, Teen Challenge, and Senior Meals. She blessed many through the years with her beautifully decorated Wedding/special occasion cakes, as well as her incredible rolls and delicious pies. Jessie will best be remembered by all who knew her for her kindness, generosity and big heart. Jessie was an Angel the Lord sent to live among us and show us how to live. She was preceded by her parents, siblings, and husband, Forrest Clark. Jessie was the matriarch of an extensive family of 6 children, 17 grandchildren, 40 great-grandchildren, 4 great-great-grandchildren, numerous nieces, nephews, and other relatives. We look forward to seeing her in Heaven one day. Memorial Service to be held at 1:00 p.m. on Saturday, February 1, at the Lake City Assembly of God Church, 400 Grace St., Medical Lake WA 99022. We encourage you to join us in a Celebration of Life potluck reception following memorial. The family would like to thank Hospice of Spokane for their compassion and assistance. In lieu of flowers, those who wish are encouraged to make contributions to Hospice and/or City Gates which was dear to Jessie's heart.

“ Jessie was such a sweet, gentle little lady full of a heart of loving service to others. Her love for Jesus was apparent in everything she did.

Jessie was so diligent and hard working! She prepared the meals for several of our family reunions working early until the cleanup was completed.

She was a treasure and will be remembered for her giving spirit and sweet smile.

“ *My sympathies go out to the whole family. I am blessed to have known Jessie my whole life, and will miss her greatly. Those of us who knew and loved her can take comfort in knowing that Heaven is now an even better place for her presence there.*
