

Katrina Lynn Dean

June 9, 1972 - May 19, 2024

Katrina Lynn Dean, 52 years old, passed away unexpectedly on May 19, 2024. Trina was born on Sunday, June 9, 1972. She is survived by her parents, retired MSGT, Bobby and Linda Dean, and brother Eric, all of Medical Lake, WA. And many aunts, uncles, cousins, and other relatives.

Trina's high school years were 1985 through 1990 at Eastern Wayne High School in Goldsboro North Carolina where the family had been transferred. Once Bobby retired from the military, the family moved back to the Medical Lake area.

Shortly after returning to Medical Lake, Trina wanted to be a nanny and returned to Washington DC. After a couple of years, the children aged out, so Trina decided to move back to the Medical Lake area where she attended and graduated from Interface Computer School. Trina then left Medical Lake and moved to the Prosser area where she became a Certified Professional Coder and worked for YVFWC. After 18 years in the Prosser area, Trina moved back to Medical Lake and continued working as a medical coder. Trina finally found her ideal job with X-Tend Health Care.

Trina loved challenges, people, work, family, and dogs. Her real passion was to rescue and place Bull Terriers. Trina fell in love with one rescue bull terrier and had him (Remmie) for 18 years. If you would like to contribute on Trina's

behalf to Northwest Bull Terrier Rescue, that would be greatly appreciated.

A Celebration of Katrina's life will be held on June 28, 2024, at 2:00 pm at Cheney Funeral Chapel, 1632 W. 1st St., Cheney, WA. A Reception will follow.
