“ What can I say about this man other than he sure knew how to welcome a newbie. I only had the privilege to meet this outstanding man an handful of times and each time he made sure I was being attended to and having a good time. My heart goes out to his family and my bestie Karen Baldwin. Rest well my friend.

Our heartfelt love goes out to Uncle Kenny's family. I am sure if we look hard enough we can see him dancing in the stars with Aunt Eleanor. May he rest in peace. Jackson and Jeannie Kile
