“ Over 50 Yrs of hunting, fishing and camping adventures to treasure. Glad he got his life long dream of a trip to Alaska and eating one of those big ass King Crabs. I believe his fishing ventures are not over yet, his brothers have been waiting for him so they could all go together.

We will all remember our camping, fishing and hunting stories w/ Uncle Mont. He was the true definition of an Uncle and was there when it counted. He will be mentioned over and over again in our get togethers and story telling. He will be missed but certainly not forgotten.

Thoughts and prayers go out to Aunt Betty who shared the best days of his life-- we are here if you need us.

Thoughtfully yours and may he finally rest in peace after the courageous battle he just fought.

Respectfully

Kathi
