“ I met Lee when I moved to Spangle and married Jack Roberts, 1979. He was always unfailingly kind, funny, thoughtful and a good friend to both of us. He will be missed.

“ I didn't know Lee very well, I met him at my brother in laws hardware store where Lee worked. Lee would always greet me with a smile and ask me by name how I was doing. Sometimes it's the little things that people do or say that make us remember them, I will miss Lee and I know he touched a lot of hearts. Your in good hands now Lee rest in peace.

“ Lee was our neighbor down Stentz Road 40+ years ago. He was always willing to help out if needed for any occasion. I always marveled at his ability to play his guitar by ear. Once he heard a song, he could play it.

When our kids were little, we went camping with them a few times and he would create these elaborate little country villages out of sticks and twigs and moss and other things the kids would gather keeping them entertained for hours.

A good man whose loss will be felt in the community for a long time.
