“ So sorry for your loss. Not sure what happened but so very sad. Prayers for you all. Lenny dated my sister many years ago which is how I knew him. One of my favorite memories was when I would go with them fishing, I know he liked to fish. I admired him for his service to our country and I always thought he was so very intelligent. This news hurt my heart and my sisters. ❤️ May he be at peace and with Jesus in heaven for eternity. God Bless.
