

Logan Mark Porter

November 16, 1991 - April 28, 2024

Logan Mark Porter, age 32, passed away on April 28, 2024, after a courageous 8-year battle with cancer.

He was born on Nov. 16, 1991, at Sacred Heart Hospital in Spokane, Wash. From day one, Logan was a strong-willed individual. He had a personality and smile that left a lasting impression on all who met him. Logan grew up in Cheney, Wash., where he attended school and started his own business, detailing vehicles. He was a hard worker, but also a caring person who would always put the needs of others first. He loved spending time with his friends and family. Even while undergoing treatment for his cancer, Logan kept a positive attitude. He continued detailing vehicles and enjoying life. His positive outlook and love of life were a consistent source of strength for all of us.

We want to thank everyone for the immense outpouring of love and support that Logan and our family have received, which include the Doctors and Nurses at Sacred Heart Children's Hospital, Seattle Children's Hospital, and the staff at Inland Imaging and the Ronald McDonald House.

Logan is survived by his loving parents, Mark and Sandy Porter; his brothers, Aaron, Ian, Joseph, and Charles; and sisters, Katie and Alexis; along with many loving uncles, aunts, cousins, nieces, nephews, extended family, and friends.

A Celebration of Life is planned on Sunday, May 19th at 2:00 PM at the Spokane County Fire District #3 Training Center (10 S. Presley Dr., Cheney, Washington 99004). His family welcomes everyone in the community who would like to attend and celebrate his amazing life. “ Sorry to read about Logan's passing. He was a nice and polite and friendly soul. I will miss his sunny presence and great smile when we were eating and drinking at Wild Bill's Longbar on Wednesday evenings with his mother and the group affectionately known as "Mary's Misfits." You will never be forgotten, Logan, and you will always hold a special place in our hearts. Rest in peace. - Jeff S.
