

Logan Eugene Quensenberry

May 19, 2000 - November 22, 2021

It is with the deepest sorrow that we inform you of the death of our beloved Logan. Logan Quensenberry passed away at the age of 21 years old on Monday, November 22nd, 2021. Though he left this world far too soon he left this world a better place. He was so loving and devoted with a wonderful witty sense of humor. Logan was pursuing his degree in mechanical engineering and a minor in math. He had an inquisitive nature and was always learning something new. He was passionate about nature and being outdoors, loved music, podcasts, gaming, metalworking, history, animals, brewing mead, and beekeeping. He was a connoisseur of fine cuisine. Most of all he loved his family and friends. A life so beautifully lived deserves to be beautifully remembered. Please join us to mourn and also to celebrate Logan.

Survived by his mother, Clarisa Jacobs, his father, David Quensenberry, his sister, Lillian Quensenberry, his grandma, Doshia Jacobs, paternal great-aunt Kathy Mackey, his paternal grandparents Norman and Carol Quensenberry, his aunt Kerrie, his great-grandma Doris Gladden, great uncles Haislip, Paul, and Hugh Hayes. Also great aunts Agnes Lavere and Babbitte B. He has many distant cousins and relatives. He's also survived by his little four-legged buddy, Leroy. Survived by many, loved by all!

A Memorial service will be held on Sunday, December 12th, 3:00 pm at Cheney Funeral Chapel.
