“ Maaret, I am going to miss you very much. I have tons of memories of us as kids, making our own carnivals and the neighbor kids coming to them. I remember going to Sunday school and church and getting together with our friends from church and going to play with them at their house. I remember going to Seaside and visiting our good friends. I remember pretending to be twins and dressing alike. I remember sharing our bed in the bedroom and sometimes the 3 girls sharing one bed. We would be all over the beds and in different angles. I could go on and on. Now, you are at peace, healthy in mind and body. One day soon, we will see each other again, along with our other loved ones. I love you sis!
