“Marilyn was the best neighbor I could have asked for. She shared delicious baked goods, made sure my kids got on the school bus timely and was always there to lend a hand. So sorry we were out of town Saturday and missed her service. Hugs to Tina, Amy and Donnie. You're mom was the best.

“Marilyn used to call me to come over to taste her baking, canning etc. She called me "her taster". She was always so kind & we did alot of praying together. I am going to be looking for her for a long time.
