

Mollie Louise Jensen

January 7, 1944 - January 11, 2018

Mollie Louise Jensen passed away peacefully after a long struggle with illness on Thursday, January 11th, 2018 at the age of 74.

Mollie was born January 7, 1944 in Pines Bluff, Arkansas to Octavia and Carl Nelson. She was raised in Wallace, Idaho and graduated from Wallace High School in 1962. Graduated from Kinman Business College in 1964. She married Richard Jensen of Idaho on September 4th, 1964 in Wallace, Idaho. The family moved to California where they lived for 50 years or more and now reside in Washington State.

She worked a variety of jobs throughout her life as an accountant but her most important role of all was being a mother and grandmother to her surviving children among other family members. She is survived by her husband, Richard; daughter, Phyllis; son, Ricky; granddaughter, Stephanie; and grandson, Michael. As well as her three nephews, Paul, Craig, Brett; and niece, Kristy.

Mollie was an amazing woman and words will never be able to truly capture her essence. A lifetime of giving, loving, and caring will never do her justice. To all who knew and loved her, her death will leave a gaping hole. She was a generous and fun-loving grandmother. She was always up for an adventure and enjoyed traveling. Many happy times at the lake and taking spontaneous road trips. She touched so many lives. Mollies' most treasured things included her family, her friends, and her cat. She was surrounded by friends and family and much love.

Family, friends, and others who lives have been impacted and touched by Mollie are invited to join us in celebrating her life at the Cheney Funeral Chapel on January 20th at 2pm. A reception will follow at Cheney Fire District #3.

"Words can never express the loss we feel. Words can never express the love we feel. Words can never express the pride we feel. We are who we are because of her. We love you so much and will miss you forever."

“ I only realized that Mollie had passed a couple days ago. Mollie was a few years older than me, but we grew up together in Woodland Park outside of Wallace, ID. She was a sweet and gentle person. I am so sorry for her family's loss. Take care.
