“ To Cousins Mark and Melvie and your families, we just want to express our heartfelt sympathy in the loss of your Mom. Love, Christine and Ralph

*You know I was very fortunate to live next door to Aunt Nancy and Uncle Carol in childhood. Aunt Nancy was just so much fun to be around. Little memories flash through my mind....I visualize her playing the piano, braiding Melvie's long blonde hair and then putting in those two daisy barrettes,baking cakes, and standing at the kitchen sink doing the dishes with Joy dish detergent. She was afraid of thunderstorms. She liked to sleep late if given that option. She loved picnics and backyard get-togethers with friends and family. Lots of laughter and humor involved for sure! As I got older she helped me so much in coping with the sudden death of my Grandpa Saunders in a car accident. Later, as a young adult, I was going through a very rough patch, and I overheard her say to my Mom"Whatever Christine does; it's fine by me". Thank you Aunt Nancy for always being there for me,especially when the chips were down. You are, and always will be cherished and loved. Your Niece, Christine*
