February 20, 1997 - March 2, 2025

Oliver Wayne Smith was born February 20, 1997, the oldest son of Trevor and Stefanie Smith. He passed away March 2, 2025, in a tragic accident. He is survived by his parents, Trevor and Stefanie Smith; his brother and best friend, Cole; his half adopted foster child brother, Tad; Uncle Brent and Aunt Jenni; Uncle Brett and Aunt Stephanie; Aunt Jessica; Grandma Carolynn; Papa Ted and Sue; Papa Mitch; Grandma Karen; and Grandma Debbie; Great-Grandma Ruth; many great-aunts and uncles; Hudson; Harper; as well as his cousins, Paxton, Clancy, Chloe, Parker, and Jayden who will forever miss him at the kids table.

Oliver grew up in Cheney, WA, playing soccer and enjoying the great outdoors with his family. He played Varsity Soccer at Cheney High School, where they were State Champions his sophomore year. He came from a family of hunters where butchering game was a family affair, whether you liked it or not. He graduated from Washington State University with a degree in Chemical Engineering, but after working in the Engineering field for a few years, he came home to work alongside his dad and brother in the family business, Hanging S Land Co. His favorite place was Priest Lake, where he spent every summer with his family. You would usually find him on a boat in the captain's seat and blaring music with his friends.

He will be remembered as a witty, fearless person who was always up for a

good time and a great debate.

A Service will be held at Cheney Faith Center at 11 AM, March 8th, with a lunch at Shriners Event Center following. Grave site ceremony will take place in the afternoon for close friends and family.
