“ I am Pat's sister-in-law so we have been family since 1959. In the days of our youth Pat strived to live life to it's fullest! She enjoyed being with people and having a fun time. She had an infectious laugh and a beautiful smile. There was always a pot of coffee made and folks would sit around her table and visit for hours. Unfortunately, for most of the years we did not live in close proximity, but when we were able to get together we always had a fun loving time. She will be missed but now she is with her Lord and family members who have gone before her. Keep smiling Pat and we'll all get together again in the place God has prepared for us. Until then....much love....

I met Patti 45 years ago in Issaquah, WA. We worked together at Monohon's Restaurant. I moved back to CA in 1983 but Patti and I continued our friendship through correspondence. Christmas, Birthday, Easter cards, letters, phone calls. We were always in contact. She was a beautiful person, inside and out and I will miss her dearly. I don't know if anyone can relate to this but the day she passed, later that night, I felt her presence. She can by to say say good-bye. I love you Patti and I will see you again someday....

Patti was so loved by her Salt Lake friends and will be dearly missed. She was funny, loved everyone she met, mothered us all and had the best stories. We love you Patti. Charlene was there waiting for you I'm sure and now you two get to laugh at us all down here.
