Paul Frederick Becker passed into eternity on August 14, 2017. He was extremely passionate about truth, and spent much of his earthly time and human strength pursuing and trying with all his might to know the truth. Now he knows, and is at rest with He who is the way, the TRUTH, and the life, his savior Jesus. Rest In Peace, cousin Paul.

“ I first met cousin Paul when I was 9 or 10 years old. He took the time to introduce me to archery which is still one of my passions today. Later in life we often engaged in discussions, both deep and light-hearted, accompanied by verbal jousting via email which I always enjoyed thoroughly! Thank you Paul... you will be remembered and missed. Rest in peace!
