“ *My sincere condolences to the family of Paul. I grew up with him and his family. He overcame quite an obstacle and didn't let that overpower him. May God bless you all and keep your wonderful memories!!*

“ *Paul, I miss you my friend. I am sorry that I can't be there at your service. I really wanted too. I am grateful that you and I got to say our good-byes. It's still hard to believe you're gone and I can't pick up the phone and call you. You always listened to my rants and raves when I was in road rage mode. You took my jokes about being a man like a woman. I miss you. And to Paul's family, you're in my thoughts and prayers. I am sorry for your lose.*

“ Our condolence to the Bellmer family. The Field family grew up with Paul and often wondered where he moved. Your Dad, Grandfather aged gracefully. Paul reminds me of his Dad, Ernie, growing up. May peace be with you all at this time of sorrow in your life. God Bless.
