

## Phillip Mihail Baker

June 11, 1998 - October 18, 2022

With deepest sadness, we announce that Phillip Mihail Baker age 24, our beloved son, big brother, grandson, and great friend passed away suddenly and unexpectedly on October 18, 2022, while waiting for a ride home after work. The reason for his death is still unknown.

Phillip was born in Coupeville, WA on June 11, 1998, the firstborn to Viktoriya and Phillip Baker. He spent most of his childhood in Bellingham WA where he was also home-schooled. He spent almost two years in the Philippines with his family on a mission trip. He also attended high school at Upper Columbia Academy and graduated from Liberty high school in 2017. He completed his welding certification in 2020 in Spokane.

Phillip enjoyed the outdoors, camping with his family, and backpacking with his grandmother. His teen years and early adulthood were spent in Spokane, WA. He was a great friend to many and never gave up on himself or others in the most difficult life circumstances. He will be deeply missed by all who knew him, his parents, his brothers Andrew, Joshua, and Benjamin, his sister Valentina, his grandparents, family, and friends.

Phillip's Memorial service will be held on November 5 at 3:00 PM in the Upper Columbia Academy Seventh-Day Adventist Church.

God has promised peace – Jesus said, "Peace I leave with you, My peace I give unto you, not as the world giveth give I unto you. Let not your heart be troubled, neither let it be afraid." Phillip, rest in peace.

“ Phillip was thoughtful, interested in the world around him and the philosophies that drive us. When we talked I could see the wrestling with contrary ideas that he was trying to reconcile. He worked hard with me helping to roof my house a few years ago. His father and I have prayed for him and talked about how he was doing for years. I'm proud about some of the steps he took recently and grateful that God is good. Love to all the Bakers.
