“ May this entire family find peace in the loss of their special family member...Randy. He was a man of great knowledge, perfectionism, hard working and cared for everyone he knew. His generosity was a sign of his great soul. He was a gift given to us but also taken too soon. I hope that time can help heal the sadness you all are feeling.

“ I only knew you for a short time, but what I did know and learn about you was your strength and courage that you had shown throughout this very difficult task that you were given. You fought a long battle but now you can rest and spread your wings. Rest in peace Randy.
