

Randall Craig Geschke

March 19, 1964 - May 13, 2021

Randy was born on March 19, 1964, to Jerry and Claudia Geschke, and graduated from Cheney High School in 1982.

He met the love of his life, Colleen Renfro, in 1986 and they were married on July 23rd, 1988. Randy and Colleen welcomed their first child, Kaylie in 1997. Their son, Jared, followed in 2001. Randy was a wonderful husband and father and was so very proud of their children.

He loved snowmobiling and camping in which he passed that love to his family. They all enjoyed their annual snowmobile trip to Priest Lake with Cheney friends. His other passion was camping and fishing at Bell Bay on Lake Coeur D'Alene. The family camped there as often as possible. Randy was a hard worker and kept their huge yard looking like a city park. Randy was co-owner of Key Rock, with brother Keith, for 25 years.

Randy passed away suddenly in his sleep on May 13th, 2021 from an apparent heart attack, and was preceded in death by his father Jerry in 1999.

He is survived by his wife of 33 years, Colleen, daughter Kaylie Geschke of Cheney, and son Jared Geschke who is in the U.S Coast Guard. Also his mother Claudia Jameson, brother Keith (Marianne) Geschke, sister Ronda (Mike) Swanson, step-sisters Cindy (Greg) Lingelbach, and Karen Swan,

along with numerous nieces and nephews.

“ I have great memories of Randy. He was funny and a kind man. We knew each other from way back in the early 80’s. I only ran into him a couple of times after that but he honored and loved his family. I am so sorry for your loss. I can’t believe he’s gone. May you find comfort in one another. Sending hugs and blessings your way! Take care, Pamela Adams

“ Dear Colleen, Kaylie, Jared and Claudia, I remember all the fun and exciting snowmobile trips to Feran, CDA and up to Priest Lake those are some of my most treasured memories. I always enjoyed running into your family at the grocery store or gas station in CDA. Randy is gone way to soon. Wish things were different and could of attended the service.

“ Dear Colleen, Kaylie and Jared.
Please accept my sincere condolences. Randy was a prince of a guy, always very generous with help when I needed it. I have grateful memories of the times he would load up my pickup with whatever materials I needed, then not want to accept payment for it. He also came over with his Bobcat to help spread out materials in my barn. He was always gracious and helpful, ready with a smile, even when his back was giving him fits of pain. I know you will miss him terribly as husband, father, and friend. I will pray for God's grace and peace will be with you now.
With sympathy,
Libby Beck.

“ My family first met Colleen, Randy, and the kids through swimming. With that first meeting my husband Bob and I new they were special people. Our families shared values and interests and most of all the love of family. We regularly attended school events from grammar school to graduations. We shared swim meets ,travel to meets, and camping.

When our family had a devastating event and loss Colleen and Randy were two of the first people to be there for us. Always comforting and providing support. Randy made our family feel normal when life was nothing about normal. God Bless him and I hope he and Bob can watch over us all from heaven and know we will forever love them.
