“ Whenever I saw Rich he had a big smile on his face! He always had an uplifting word or two to say to whom ever he talked with. The most special memory of Rich and Lori were when they rented a van to transport our son Rick to the state bb tourney in Tacoma! Rick injured his ankle in the last practice before the tourney. What a selfless and loving act of kindness they did! Am sending prayers for understanding and peace to Lori, Jeff, Stefani, and all family for the loss of this most special man. He will be profoundly missed.
