“ We just went to Warrenton and Astoria area and drove by Kamper's West and thought about Dr. Bob. Wondered how he was? When he lived in Salem, Don would go fishing with him all the time very early in the morning and spend long days on the water and in many rivers. Every summer Don would take our RV and Bob his boat, to Kampers West and go fishing. Dr. Bob was also our doctor for awhile at Kaiser Permanente until he retired. RIP Dr. Bob and thanks for all the memories of fishing. Don and Carolyn Byard
