

Robert Burton Wilson Jr.

June 10, 1969 - December 21, 2023

Robert Burton Wilson, Jr., 54

Robert Burton Wilson Jr. died unexpectedly of natural causes on December 21, 2023, at his home in Cheney, Washington. Rob was born June 10, 1969, in Toronto, Ontario, Canada to Robert B. and Janet Diane M. Wilson. He attended Pullman Public Schools and Utah State University and received a certificate in graphic arts from the Art Institute of Seattle, and a certificate in welding from Seattle Community College. Rob worked 10 years for R. W. Fabrication in Spokane and for the past two years for Haakon Industries in Cheney.

He is survived by his parents of Logan, Utah, his sister Janet (Krister) of Huntington Beach, California; his nephews, Chayce Martin of Logan and James Martin of Phoenix, Arizona and his niece Liliane Johnson of Huntington Beach, California.

After years of “jousting against windmills,” Rob found peace and joy with friends and family, his work, fishing, and classical literature.

He got the best of himself and that is the best kind of victory one can wish for.
