

Steven Andrew Hayes

January 21, 1997 - May 28, 2022

Steven Andrew Hayes moved on to the afterlife on May 28, 2022, in Spokane, Washington.

Steven was born on January 21, 1997, in Yuba City, California. He is survived by his father and mother, Jeremy and Ivie Hayes, his sister and brother-in-law, Lori and Matt DeLano, his nephew, Damien DeLano, and niece, Elarya DeLano. Steven is also survived by many grandparents, uncles, aunts, and cousins.

Steven was a gentle and caring soul who loved his cats, Bumble and Marsh, and his dog, Pepper, so very much. At the tender age of 25, Steven left us too soon, but we look forward to seeing him in the afterlife when our time comes.

Steven was a special and beautiful person who thought everyone was a friend and would go out of his way to help someone in need. Steven was a budding artist and pianist who was trying to find success with his drawings and recordings. Steven's art wasn't for everyone – often times ranging into darker, more cynical humor – but his imagination and vocabulary were rich and could transport you to a deeper place through his poetry, Dungeons and Dragons campaigns, or other artistic mediums. Unfortunately, we'll never know the limits of Steven's talents or the beauty he was capable of bringing to those of us that know him.

While Steven himself was not a very spiritual person, he was a person who explored the deeper meanings of life on Earth and after death. Please keep Steven in your thoughts and prayers. He was a spirit that burned bright, hot, and fast. He loved his family, and we loved him. We will miss his loud voice, his caring demeanor, and his unique way of looking at things the way no one else could.

Steven – we miss you, and hope that you have found a beauty and peace that you were not able to find here on Earth.

They shall not grow old, as we that are left grow old; Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning, we will remember them.

“ *I was sad when I read that you were no longer with us.*

I really enjoy this picture of you that was sent to my by your mom. I just listened to the voice message from you and I'm glad you enjoyed using our fishing pole and fishing in the pond at our house when you lived in Germany.

You were always so cute and sweet. You are missed by everyone that knew you.

I know you are watching over your parents, sister and her family.

Rest in peace Steven.

Linda and Carlos.

“ Every time I walk past the alley way, my first thought is that one of the cows got loose. I always stop, back up and then realize that it is your artwork! Miss you Steven!

Dearest Steven, I think of you everyday when I look at this "pregnant cow" you drew for me at the end of the loading chute. I know you didn't think much of my paint job, but we had a good laugh. Loving and missing you honey.
