“ Although I didn't know him, I am very sorry for the loss the family has experienced. Please take a few minutes to read Rev 21:3 &4 which gives us a wonderful hope for the future. In the future God will wipe out every tear, and death will be no more. Since we know there is no death in heaven, this has to be a promise for the earth. I hope this thought will give you some comfort in your time of grief.

“ During Occupy Spokane rallies and meetings, I met Steven as I was learning the why of Occupy! Advocating for real income equality and real free speech was a great adventure with Steven and our buddies. Reverend Deb was a great support for our buddy!

“ My heart and prayers go out to all of you. Steve touched many lives and definitely was compassionate about his causes. I enjoyed the time I spent with him. Whatever I dished out to him he always had a smile (maybe a smirk) and come back. Tell my friend Robert hi Steve!
