

Susan Means

March 31, 1941 - February 11, 2026

Susan Means (age 84) passed away peacefully on Feb. 11, 2026, from complications following a stroke. All her days were spent surrounded by the love and comfort of family and friends.

Susan was an avid animal lover, a self-taught gourmet cook and a voracious reader. She met the love of her life, Paul Means, on April 30, 1966 near Sacramento, California. From that day, she began a nearly 60-year journey filled with adventure, wonder, travel and deep love – always with dogs and/or cats in tow.

For those who knew her, her humor extended well beyond the moments you spent in her presence. She had a smile for everyone and was always eager to help someone in need. Susan was beautiful in every way. A loving and devoted wife, mother and best friend, she will be dearly missed.

Susan is survived by her husband, Paul; her son, Adam; and the many people whose lives she touched throughout her journey.

A celebration of Susan's life will be at 11:00 am on Saturday, June 27, 2026, at Cheney Congregational Church.
