

Tammy Kay Steele

November 29, 1968 - December 5, 2017

Tammy Kay Steele was born the 29th of November, 1968 in Minneapolis, MN. She grew up in several different cities in ND as her Dad advanced his law enforcement that lead them to Lafayette, LA for the remainder of her childhood. She graduated high school in Carencro, LA and went on to enlist in the US Army in 1988. While on an oversea tour in Korea, she met and married Martin J. Steele of Cheney, WA. Tammy decided against re-enlistment, instead dedicating herself to her new family. Their family grew as they moved from one duty station to the next, eventually settling down and building their house in Cheney, WA. In 2004, she became a bus driver for the Cheney School District. She leaves behind her Husband of 28 years and four children; Alexander M. Steele, Charles J. Steele, Nicholas M. Steele and Samuel W. Steele. All of the children live separately in Cheney, WA. She also leaves behind her mother and father, Michael and Sharla Colebank of Carencro, LA and her sister Lisa Garcia of Anacoco, LA. Tammy was truly a caring and loving person and the best mother and wife. She will be dearly missed by all. Tammy's Viewing will take place at the Cheney Funeral Home on Thursday, December 14th from 6:00 to 7:00 p.m. The Funeral and Scripture service will follow on Friday, December 15th at 11:00 a.m. at the funeral home.

“ Tammy was a wonderful friend to me when our husband’s were stationed together in Chico, California. She was my first friend there, and our boys, my two, along with Alex and Charlie spent many hours playing together.

I am sorry we lost touch over the years, but will always remember her as a lovely person with a very big heart. I have a hard time believing she is gone, as I still see her as she was then, and how excited she was when Nick was born.

My thoughts and prayers go out to Marty, and the whole family. I am so sorry for your loss.

Christine Smith - December 19, 2017 at 03:31 PM

“ Tammy was one of the most beautiful people I have ever had the privilege of knowing, let alone call my mother-in-law. She was so kind and giving, and it is very difficult to imagine our life and future without her. I could never be grateful enough for her boys, I love them all with all of my heart, including Marty, and I will give every ounce of love I am capable of and try to fill all the holes in their hearts. We will always remember and cherish you.
