“ I went to school with Betty and was so saddened to hear about the loss of Torrey. Although I didn't know him, it is obvious he was a great guy. I am just so sorry that you have now lost two of your sons. I can't imagine. I am sure you must have wonderful memories of him that will eventually help you through this difficult time. Please know you are all in my thoughts and prayers and am sending much love to all of you. Again, I am so very sorry.
