“ Lucila, what a beautiful tribute to your Abuela! I will certainly be generous with my smiles today. I understand your sadness; I was very close to my grandmother who was full of smiles and laughter who died in 2001. She was my matron of honor in my wedding and held on to her life until she met my first baby, Maddie. She literally died the next day I still miss her and think of her every day. My heart is wrapped around you today!Darcy
